

## RUSH: FEATURE MATRIX

MAIN ATTRACTIONS	40 million records. 40+ years. Countless sold-out tours. A star on the Hollywood Walk of Fame. Induction into the Rock Roll Hall of Fame. Officers of the Order of Canada. That's all very nice, but for these three guys it's all about their music, their friendship, their fans, and now pinball! In this epic music pinball adventure, players will travel with Rush through time.
	Rush pinball machines reflect the energy, excitement, and experience of a live Rush concert.
	This Rush pinball concert under glass features sixteen iconic songs, layered with beat-matched sound and lighting effects. Songs include <b>Headlong Flight, Far Cry, One Little Victory, Working Man, 2112, Tom Sawyer, The Spirit of Radio, Freewill, Cygnus X-1 (Book One: The Voyage and Book Two: Hemispheres), The Big Money, Subdivisions, Limelight, Fly By Night, La Villa Strangiato, Bastille Day, and Red Barchetta</b>
	In memory of Neil Peart, Stern Pinball is supporting the Neil Peart Research Award sponsored by the Glioblastoma Foundation as it researches cures for this deadly brain cancer.
	Travel through time by shooting the pinball through a custom sculpted electromagnetic Time Machine, capable of catching and throwing balls through front or back. The Premium and LE models feature a motorized ramp entrance with custom lighting effects across the sides and floor.
	Premium and LE models feature a custom sculpted Clockwork Angels Clock, inspired from Neil Peart's bass drum from their Time Machine Tour. This custom clock has a motorized minute hand and illuminates at each segment, interacting with gameplay features based on the time.
	Exclusive live Rush concert footage and custom animations.
Custom speech from guitarist Alex Lifeson, bassist, keyboardist, and lead vocalist Geddy Lee, and fellow Canadian Rock Hall of Famer, Ed Robertson of the Barenaked Ladies.
